Training Programme

Getting to know Europe and each other better

Reflection

10 min

Every evening, participants are issued with a daily reflection sheet which has three sections. I liked, I noticed, I would suggest. They are asked to quickly complete each section, and these are collected before they go for dinner.

Facilitators should read all the reflection sheets before the next morning session starts and together decide which issues should be raised during the reflection round in the beginning of the following day.
