

Europe in Perspective

Transnational Training on
Diversity in Cultural Learning

Training Programme

Getting to know Europe and each other better

Day **1**

11 Sharing our practice

Informal Evening

60 min

An informal session allowing participants to show each other their work. Each pair attending the workshop is allowed 10 minutes to present their work and answer questions. This is followed by informal discussions. For these after dinner sessions we provided wine, beer, soft drinks and snacks to encourage a more relaxed and informal atmosphere.

Notes for facilitators:

Although participants were asked to indicate before the training whether they want to do such a presentation, they tend to spontaneously decide they also want to join. Make sure you plan these changes into the weeks' schedule. Bear in mind that the days are already very intense so make sure the participants stick to the 10 minutes time frame. These sessions shall only be a support in getting an idea of each other's practice which can be explored more throughout the week.
