Training Programme

Putting ideas into practice

Day **5**

2 Looking back at the week

Presentation

10 min

Each time we delivered this training, one of the programme partners was asked to take photographs during the week. On the final evening, they chose a selection of photographs to represent the journey of the week and put them to music. In this final reflection session, participants watch the presentation in silence. Afterwards there is time for a short discussion and reflection.
